

*The play takes place*

*in the home of Neville and Belinda Bunker.*

**ACT I - Scene 1 Christmas Eve 7:30pm**  
**Scene 2 Christmas Day Noon**  
**Scene 3 Christmas Day Midnight**

**Clayton Wetherall** - Starred as a can opener in Harold Snitzfeld's off - very off - Broadway production "Beanz!" in 2003 and then as a slotted spoon in the sequel "Spaghetti". Season's Greetings is just a fill in as he will be back to Broadway in 2009 to star as a sparrow crab in the spin off gourmet musical "Seafood Salad!"

**Victoria Jackson** - Victoria will be well known to heavy metal enthusiasts as the lead guitarist in the band "The Nasty Pasties" best known for their hit song "What a stupid twit you turned out to be!" - which was to have been included as a musical interlude in course of the play but alas time did not permit and neither did the censors.

**Act II Scene 1 Boxing Day**  
**Scene 2 December 27th 5:15am**

**Jon Kear-Colwell** - Jon started life in a shoe box and was raised by a benevolent badger who didn't care much for silent 'H's. A well known vagrant at London's West End, Jon knocked back the opportunity to star in a Hollywood blockbuster about garden gnomes to appear in Season's Greetings. We're sure he made the right decision!

**Martin Jansen** - After an extensive career in molecular biology during which he published more than a dozen landmark scientific these, Martin has decided that he'd rather do puppets. He gets his big chance here as Uncle Bernard

**Coral Kelly - Director** - Probably one of the next in line to be declared a national treasure, Coral has become something of an institution as far as live theatre on the Gold Coast is concerned, and after directing Seasons Greetings, she may even be committed to one.

**Lelle Wood** - Lelle is extensively versed in train and bus timetable interpretation and can speak over 9 different languages all at the same time. Exciting news too for Lelle - she has just signed a deal to appear in "See thru Underwear" - the Ron Purvert production early next year!

**Tania Carroll** - has worked in the Norwegian Embassy as a suitcase inspector and has extensive experience with hedge clippers, she holds a certificate in advanced dishwashing making her ideal for the role of the demure Pattie.

**Jim Fury** - Has just completed a season with the Particularly Silly Theatre Company appearing as a stick of celery in the vegetarian comedy "Is this your Carrot?" - He is managed by several kind hearted volunteers and a psychiatric research foundation.

**Raelene Richards** - Raelene joins us after leaving her job in Nigeria where she worked as e-mail sender for that nice Mr Lomambo who needs your help to move the \$63 Million he scammed from his government. A keen international Snakes and Ladders competitor "Seasons Greetings" seemed like an ideal opportunity to consolidate things in a way that few people have ever consolidated things before.
